

#### 4. FLOOD

a) Rate : 0.05%

b) Endorsement Wording

In consideration of an additional premium, this insurance extends to cover loss or damage directly caused by fire or otherwise occasioned by or through or in consequence of Flood (including overflow of the sea) subject to the following Excess Clause and Special Conditions attached hereto.

Note: Flood, for the purpose of this extension, shall mean the overflowing or deviation from their normal channels of either natural or artificial water courses, bursting or overflowing of public water mains and any other flow or accumulation of water originating from outside the building insured or containing the property insured, but excluding loss or damage caused by subsidence or landslip.

Provided always that all the Conditions of this Policy shall apply (except insofar as they may be hereby expressly varied) and that any reference therein to loss or damage by fire shall be deemed to apply also to loss or damage directly caused by any of the perils which this insurance extends to include by virtue of this endorsement.

It is further agreed that this Endorsement shall apply separately to:

- (i) each property, for which purpose all insured properties at the same address will be regarded as one property,
- (ii) each incident giving rise to such loss or damage and that for the purposes hereof an incident shall not be considered to have terminated until there have been seven (7) consecutive days' freedom from the peril concerned and that only thereafter shall the Clause apply afresh.

Subject otherwise to the terms and conditions of the policy.
